**Chronological Index**  
 Fall 2001 to Summer 2021 - Issue #1 to #49

This index lists the articles from each issue's Table of Contents and important other articles in each issue. There are also author, subject and subject subset listings available.

As Index Editor I have added [Editor's Comments:] to provide additional information and/or clarity. In deciding Subject and Subject Subset, I used my own discretion.

Any errors are my responsibility alone. Please feel free to contact me at [mikefcott@aol.com](mailto:mikefcott@aol.com) with any additions or corrections.

Sincerely, Mike Cottrell, Index Editor, January 2021 Revised September 2021, June 2022

Issue #	Date/year	Author	Title of Article	Subject	Subject Subset
