

CASC 10TH ANNIVERSARY SALT

This beautiful salt is handmade and designed by Judy Johnson.

The salt is a slumped square salt with Cassie the cardinal, who is the CASC mascot, in the center of the bowl. The bottom is marked with the dates '2010-2020' and 'CASC 10th Anniversary'. The salt is about 2 ¾" square and a little less than 1" deep. These salts vary slightly in color and size because they are handmade, even the white glass is handmade!
